When I close my eyes  
I see you appear  
I'm drawn to you my dear  
I dream of you  
No chains can bind me

In this dream I'll keep you forever mine  
Until the end of time

I was longing for your blessing  
But you were a devil in disguise  
My sweet mistress of despair  
You turned my dreams into lies

I follow you to the darker side of night  
You take my hand and pull me closer  
I realize there's no way I can wake

In my dreams I'm longing for your sin  
The warmth of your caress

I was longing for your blessing:

You were a devil in disguise  
Turned my dreams into lies

Until the end of time  
In this dream I'll keep you forever mine  
Until the end of time  
In this dream I'll keep you forever mine  
Forever, Forever  
In this dream I'll keep you forever mine
