

## **To Die For (To/die/for) "In Solitude"**

Visit "[In Solitude](#)" on MotoLyrics.com

I'm not the one to die for  
Don't grieve for me  
After I am gone  
No one remembers

Let me die in solitude  
Under pale grey clouds  
Let me sleep forever  
Six feet under ground

My life ain't what I wanted  
Don't cry for me  
I'm not worth your pain  
I'm not worth your tears

I say goodbye  
And raindrops taste like tears  
In the pouring rain I stand and die alone

In my final hour  
As I kneel on the leaves  
I can feel a wave of warmth  
Wash over me

Then it's really over  
My earthly misery  
I'm not to be remembered  
Don't cry for me
