[Bonus Track]

No one here to take away  
The pain I'm going through  
No one here to share  
This moment  
Empty walls stare back at me  
Laughing at my pain  
I can't face reality  
Can't face tomorrow  
I've bid my last farewell  
I've shed my final tear  
And cast aside the fear  
I've bid my last farewell  
I've shed my final tear  
And cast aside the fear  
The scars were never healed  
I have hidden my despair  
When I pulled the shortest straw  
No one even cared  
Empty walls stare back at me  
Laughing at my pain  
I can't face reality  
Can't face tomorrow  
There's nothing more to give  
I've bid my last farewell  
I've shed my final tear  
And cast aside the fear  
I've bid my last farewell  
I've shed my final tear  
And cast aside the fear
