Rhythm, you can feel it, you can feel it, rhythm  
Rhythm is a dancer, rhythm, you can feel it  
You can feel it, rhythm, rhythm is a dancer  
Rhythm is a dancer

Rhythm is a dancer, it's a soul's companion  
You can feel it everywhere  
Lift your hands and voices, free your mind and join us  
You can feel it in the air

Ooh, it's a passion  
Ooh, you can feel it in the air  
Ooh, it's a passion  
Ooh, ooh, ooh, oh

Rhythm, you can feel it, you can feel it, rhythm  
Rhythm is a dancer, rhythm, you can feel it  
You can feel it, rhythm, rhythm is a dancer  
Rhythm is a dancer

Everyday, everyday  
Everyday I'm in love with you  
Everyday, everyday  
Everyday I'm in love with you
