Lying in my bed
I hear the clock tick and I think of you
Caught up in circles
Confusion is nothing new

Flashback, warm nights
Almost left behind
Suitcase of memories
Time after

Sometimes you picture me
I'm walking too far ahead
You're calling to me
I can't hear what you said

You say go slow
I fall behind
The second hand unwinds

If you're lost, you can look
And you will find me
Time after time

If you fall, I will catch you
I'll be waiting
Time after time

If you're lost, you can look
And you will find me
Time after time

If you fall, I will catch you
I'll be waiting
Time after time

If you're lost, you can look
And you will find me
Time after time

If you fall, I will catch you
I'll be waiting
Time after time

If you're lost, you can look
And you will find me
Time after time

If you fall, I will catch you
I'll be waiting
Time after time
