Used to be a time when you would send for me  
Used to talk about it all the time  
Your friends seem to think that you're so peachy keen  
My friends say neglect is on your mind

Who's right?

What have you done for me lately?  
Ooh, ooh, ooh, yeah  
What have you done for me lately?  
Ooh, ooh, ooh, yeah

Used to go to dinner almost every night  
Danced until I thought I'd lose my breath  
Now it seems your dancin' feet are always on my couch  
Good thing I cook for us, we'd starve to death

Ain't that a shame?

What have you done for me lately?  
Ooh, ooh, ooh, yeah  
What have you done for me lately?  
Ooh, ooh, ooh, yea

I never ask for more than I deserve  
You know that's the truth  
You seem to think you're God's gift to this earth  
I'm tellin' you, no way

You ought to be thankful for the little things  
But little things are all you seem to give  
You're always puttin' off what we could do today  
Soap opera says, "You've got one life to live

Who's right, who's wrong?

What have you done for me lately?  
Ooh, ooh, ooh, yeah

This is wild, I swear
