Never hoped you'd say goodbye,
Read your letter, made me cry.
Saw you with another guy,
Never want to waste your time.

You're in love, you're in love,
Hell below me, stars above,
Hell below me, stars above,
Hell below me, stars aboveahhh!

Wooooowww!!

Saw you with that other man,
Feathered hair and tall and tan.
Treat him like I know you can,
Stroke his cheek and hold his hand.

You're in love, you're in love,
Hell below me, stars above,
Hell below me, stars above,
Hell below me, stars aboveahhh!

Wooooowww!! Ahhhh!! Yeah!!

Hell below me, stars above.

Hell below me, stars above.

Hell below me, stars above (x5)
Hell below me, STARS...

...Above me, are shinin' down.
Nothin ever, gonna hurt me now.

And I slip away...happy as a clam,
Stars above are smilin now,
Ever since you put me down.

And I close my eyes, and I can't see your face.
Whoa yeah, whoa yeah!!
Stars above are shinin down,
Nothin ever gonna hurt me now.

(yeah)
And I slip away...happy as a clam.
Stars above are smilin now,
Ever since you put me down.
(yeah)
And I close my eyes, and I can't see your face.
(whoa!)
Stars above are shinin down. (yeah) (x11)
