Well I got a one track mind  
And I got it focused on you  
Those other girls are left behind  
There one stop yes there through

Cause if there's two things that you want  
One thing you can't have  
You better make up your mind real fast  
Before your honey comes back

Well I used to like running around  
Hanging out all over the place  
Line em up and drink them back down  
Toasters funky bomb this place

Cause if there's two things that you want  
And one thing you can't have  
You better make up your mind real fast  
Before your honey comes back

So for a wicked wats big bag  
And the monkey got well spent  
My loves a fairy tale taken a dive  
But now it's back on track

I got a one track mind  
I got a one track mind  
I got a one track mind  
I got a one track mind

(Ring)  
Hello!  
Hello?  
Yeh

Can I speak to Al, Al Coholic, please?  
You're trying to make a jerk out of me!  
Yeah

WHY don't YOU COME TRY TO MEET ME FACE TO FACE!  
I'LL CUT YOUR BELLY OPEN!  
Come on over you, Come on over you yellow bellied  
sone of a bitch!

I got a one track mind  
I got a one track mind  
I got a one track mind  
I got a one track mind
