I had a run in with my dad,  
About a girlfriend that I had.  
He got a look at what we did,  
He don't believe in sex.

My dad he lectured till his face was red.  
As red as my girlfriend's.  
He was talkin about self-respect,  
When my mind wandered.

(...was preachin 'bout respect, respect)?  
.....?  
Erection! Erection!  
(In his face?) masturbate, fornicate,  
Fuck! Fuck!

I had a run in with my dad,  
He don't believe in sex.
