I'm giving up on you  
How could I ever call you mine  
You're too pretty, too simple, too easy  
You're just a waste of time, yeah

And I won't miss you when you're gone  
You never move me anyway  
I wanna wish you all the best and send you off  
I hope somebody finds you entertaining

You're the song I hate  
But I can't let go  
You're the song I hate  
But I can't let go

You know it gets so hard, so hard to keep moving on  
Through all your petty little changes  
Sometimes I wish I could just close my eyes  
Wish you away

You're the song I hate  
But I can't let go  
You're the song I hate  
But I can't let go

You're the song I (x3)  
You're the song I hate

I tried so hard to change you to make you  
Something I could enjoy  
But you insist on just acting the plaything  
You're just a toy, just a toy

You're the song I hate  
But I can't let go  
You're the song I hate  
But I can't let go

You're the song I (x3)  
You're the song that I hate

You're the song I hate

But I can't let go  
You're the song I hate  
But I can't let go

Yeah  
The song that I hate  
Uh!  
You're the song I hate
