Sunshine  
Stay a while with me  
I wanna feel your touch  
Sometimes, It's to much  
To much  
To watch you shaking  
Spinning off again  
I can't take it  
It's heaven, heaven  
My hands may be spinning but my heart is in my throat  
I would give up anything, to hold, you  
Sunshine  
Make me a happy man  
Say you'll only be mine  
I tried  
To get you out of my mind, my mind  
But I can taste it  
Your lips pressed to mine  
Your embrace yeah  
It would be so fine  
So fine  
My hands may be steady, but my heart is in my throat  
I would give up anything  
To hold you  
Sunshine  
Steal the world with me  
And I will be your man  
No one  
Can make you feel like I know, I can  
It makes me crazy  
That you Don't know my name  
But your lips tell me  
Everything  
Everything  
My hands may be steady  
My heart is in my throat  
I will give up anything  
To hold you  
Oh sunshine  
Sunshine  
Sunshine

Sunshine  
Sunshine  
Sunshine
