Give me back my legs,
I wanna walk like I did.
You stole away my breath,
Floated over my head.

Do you lead me home,
With your fingers across my back, well
When I drag you down,
You will sink like anchor you will
Like an anchor, yeah

You'll come down,
On my side,
You'll come down,
In good time,
You'll come down,
On my side.
You'll come down.

And as I'm fallin outta the sun,
Back to where I feel safe again.
How could I come undone,
Tryin to save my own skin.

I wanna be your hero,
I wanna show you the good fight, the good fight, yeah.
I wanna touch your face,
Before you sink like an anchor, you will, like an anchor,
yeah.

You'll come down,
On my side.
You'll come down,
In good time.
You'll come down,
On my side.
You'll come down.
You'll come down.

You'll come down.
You'll come down.
You'll come down,

On my side.
You'll come down,
In good time.
You'll come down,
On my side,
On my side,
On my side,
You'll come down.
