I've been watching my money  
Save, saving up for a holiday  
A week in Paris, a trip to Rome  
I can't afford to go on my own

So you want me to yourself  
Well, you must know that won't happen  
So you want me to yourself  
Well, you must know that won't happen

I've [Incomprehensible] my bikini  
For my holiday

We won't go to Paris  
It's full of things that you like too much  
We won't go to Germany  
It's full of girls that you like to touch

We won't go to Paris  
It's full of things that you like too much  
We won't go to Germany  
It's full of girls that you like to touch

So you want me to yourself  
Well, you must know that won't happen  
So you want me to yourself  
Well, you must know that won't happen

So you want me to yourself  
Well, you must know that won't happen  
So you want me to yourself  
Well, you must know that won't happen
