You're up and you'll get down  
You're never running from this town  
Kinda think you said  
You'll never get anything better than this  
'Cause you're going round in circles  
And everyone knows you're troubled  
'Cause you read it in a big book  
And now you're giving me the look look  
But just remember how we shook shook  
And all the things we took took  
This town is the oldest friend of mine  
Get up and we get down  
We're always running round this town  
And to think they said  
We'd never make anything better than this  
'Cause we're always in small circles  
And everyone thinks we're troubled  
We didn't read it in a big book  
And now we're giving you the look look  
Just remember how we shook shook  
And all the things we took took

This town is the oldest friend of mine
