Well I got a one track mind
And I got it focused on you
Those other girls are left behind
There one stop yes there through

Cause if there's two things that you want
One thing you can't have
You better make up your mind real fast
Before your honey comes back

Well I used to like running around
Hanging out all over the place
Line em up and drink them back down
Toasters funky bomb this place

Cause if there's two things that you want
And one thing you can't have
You better make up your mind real fast
Before your honey comes back

So for a wicked wats big bag
And the monkey got well spent
My loves a fairy tale taken a dive
But now it's back on track

I got a one track mind
I got a one track mind
I got a one track mind
I got a one track mind

(Ring)
Hello!
Hello?
Yeh
Can I speak to Al, Al Coholic, please?
You're trying to make a jerk out of me!
Yeah
WHY don't YOU COME TRY TO MEET ME FACE TO FACE!
I'LL CUT YOUR BELLY OPEN!
Come on over you, Come on over you yellow bellied
sone of a bitch!

I got a one track mind
I got a one track mind
I got a one track mind
I got a one track mind
