There's a new bug that's goin' around,
Gonna blast shockwaves over your town
Take your own system and knock it down,
With a nineties beat on a fifties sound

They're wearing bomber flights
Combat boots,
Skater pants and sixties suits
In a lifestyle that's hard to refute,
It's a modern look, but it's all about roots.

Two Tone Army! (Go ahead! Go ahead!)
Two Tone Army! (Go ahead! Go ahead!)
Two Tone Army! (Go ahead! Go ahead!)

You don't need no member to let yourself in.
You don't need no language or color of skin.
Don't need no money to make a contribution,
To be a part of the Two Tone revolution.

There's a new bug that's goin' around,
Gonna blast shockwaves all over your town
Your fucking system and smash it down,
It's a nineties beat on a fifties sound

They're wearing bomber flights and combat boots,
They're wearing skater pants, they're wearing sixties
suits
It's a lifestyle that's hard to refute,
It's looks real modern but it's all about roots
