Winters getting colder, Summer gettin' warmer  
Tidal wave comin' cross the Mexican border  
Why buy a gallon it's cheaper by the barrel  
Just don't get busted singing Christmas carols

[[Chorus]]

That's us, that's right  
Gotta love this American ride  
Both ends of the o-zone burnin'  
Funny how the world keeps turnin'  
Look Ma, no hands  
I love this American Ride  
Gotta love this American Ride

Mama gets her rocks off watchin' desperate  
housewives  
Daddy works his can off payin' for the good life  
Kids on the you tube learnin' how to be cool  
Livin' in a cruel world, pays to be a mean girl

[[Chorus]]

That's us, that's right  
Gotta love this American ride  
Both ends of the o-zone burnin'  
Funny how the world keeps turnin'  
Look Ma, no hands  
I love this American Ride  
Gotta love this American Ride

Poor little infamous, America's town.  
She gained five pounds and lost her crown.  
Quick fix plastic surgical antidote.  
Got herself a record deal, can't even sing a note

Plasma gettin' bigger, Jesus gettin smaller.  
Spill a cup of coffee, make a million dollars.  
Customs caught a thug with an aerosol can.  
If the shoe don't fit, the fits gonna hit the shan.

[[Chorus]]

That's us, that's right

Gotta love this American ride.  
Both ends of the ozone burnin.  
Funny how the world keeps turnin.  
Hot dog, Hot damn.  
I love this American ride.  
Gotta love this American ride.

Oh yeah,  
Na na na na na na na...
