Sometimes I lie awake
Starin at the ceilin
I'll have someone beside me
She wont know ur name
She wont be here long
Yeah she's almost a memory
You'll never be really gone
Girl r u feelin me?

Do u fall asleep missin my kiss in the dark
Wake up the next mornin
Not sure where u r
Is it killin u, like it's killin me
Are u lyin there lyin with somebody else
Tryin to find the one thing I can't find for myself
When he's touchin u
Really touchin u,
R u feelin me?

U ever wish on a star that aint fallin
Hopin ur dreams will come true
Pray for the day that u know aint comin
Well I do
Baby I do
Baby I doooooo
Baby I do!

Do u fall asleep missin my kiss in the dark
Wake up the next mornin
Not sure where u r
Is it killin u, like it's killin me
Are u lyin there lyin with somebody else
Tryin to find the one thing I can't find for myself
When he's touchin u
Really touchin u,
R u feelin me?
Ohhhh, when he's touchin u
R u feelin me?
R u feelin me?
R u feelin me?
Ohhhh, r u feelin me?

Girl r u feelin me?
Ohhh, when he's touchin u...
