~Verse 1~

Day by day
We let love just walk away
And I will be the first to say
I was glad to see it go
And day by day
Ever since you went away
I find that i'm still missin' you
I just gotta' know

~Chorus~

Does that blue moon ever shine on you
I wanna' hold you close to me
Feel just like it used to be
And baby
If you feel like I do
You can come to me
Does that blue moon ever shine on you?

~Verse 2~

On my mind
You were right there all the time
I could search and never find someone
That does me like you do
Here's the part
Where i'm givin' you my heart
I was a fool to let you go
I just got to know

~Chorus~

Does that blue moon ever shine on you
I wanna hold you close to me
Feel just like it used to be
And baby
If you feel like I do
You can come to me
Does that blue moon ever shine on you?

BRIDGE

Night after night
I look to the stars
Wonderin' where you might be
Then I thought to myself
Is that very same moon
Shinin on you
Like it's shinin' on me

~Chorus~

Does that blue moon ever shine on you?
I wanna hold you close to me
Feel just like it used to be
And baby
If you feel like I do
You can come to me
Does that blue moon ever shine on you?
