I was hangin' out a last night at the top cat when the
band slowed down to Merle
Man I hit it 'cross the bar room trying to find my baby
girl
Some drunk tried to punk me, and ask my baby "do you
dance" she said "yes I do, but not with you, I'm waitin'
on my man"

See every dog has it's day dog, when the big dog
throws him a bone
One moment in the sunshine when your ducks lined up
in a row
Lucky dog get a big ol' bed, stray dog gets the porch
Every dog has it's day dog, but today dog just aint
yours

Well I flipped her around and I kissed her and she said
lets do one more
And we were half way through a two step when he
stepped out on the floor
He jerked me back and said "I'm cuttin' in, girl lets
docee do" she doubled up her fist and caught him
right square on the nose

Every dog has it's day dog, when the big dog throws
him a bone
One moment in the sunshine when the ducks line up in
a row
Lucky dog gets a big ol' bed, stray dog gets the porch
Every dog has it's day dog, but today dog just aint
yours

Fat dog, skinny dog, little itty bitty dog, hot dog, kurd
dog, weenie dog, bird dog, hound dog, cow dog, bow
wow wow dog, wonder dog, barkin' dog, chasing'
parked car dog.

Every dog has it's day dog, when the big dog throws
him a bone
One moment in the sunshine, when your ducks line up
in a row

Yeah lucky dog gets gets a big ol' bed, stray dog gets
the porch
Every dog has it's day dog, but today dog just aint
yours
Every dog has it's day dog, but today dog just aint
yours
