I was hangin' out in Mexico, I had a beachfront
bungalow
I know I should have gone home, but I was doin' that
Caribbean thing
I was listenin' to a Spanish guitar, drinkin' margaritas
under the stars
With a pretty senorita when the telephone started to
ring, guess who

Hello, honey I was just about to
Hello, baby I was gettin' ready
Hello, I know I should have called sooner, oh, no, no
Hello, if you give me just a minute
Hello, don't you hang up till I'm finished
Hello, you're the only one I've ever, you know
Hello

Well, there was silence at the end of the line
I thought I'd give her till a quarter of nine
I forgot to call her back and the party was a-rollin' at
ten
See, I was workin' on tequila and lime
I guess I never even noticed the time
I was dancin' the Iguana when the phone started ringin'
again
And you know who

Hello, honey I was just about to
Hello, baby I was gettin' ready
Hello, I know I should have called sooner, oh, no, no
Hello, if you give me just a minute
Hello, don't you hang up till I'm finished
Hello, you're the only one I've ever, you know
Hello

Hello, honey I was just about to
Hello, baby I was gettin' ready
Hello, I know I should have called sooner, oh, no, no
Hello, if you give me just a minute
Hello, don't you hang up till I'm finished
Hello, you're the only one I've ever, you know

Hello

Hello, hello

Hello, hello, hello

Hello
