Always a ringer  
A game at the freaky ???  
Call out the gas masks  
Make it safe without fear  
And open breathing levers  
Turn down the events, turn up the volume

A penguin comes waddling up  
But steps out of ??  
Call up the captain  
Keep us safe without fear  
Leave home for the meager  
Turn down the events, turn up the volume  
Turn down the events, turn up the volume

Call out the gas masks  
Leave us safe without fear  
Leave home for the meager  
Turn down the events, turn up the volume  
Turn down the events, turn up the volume  
Turn down the events, turn up the volume  
Turn down the events, turn up the volume

Honor the minutemen  
You honor the minutemen
