Well a man came on the 6 o'clock news
Said somebody's been shot
Somebody's been abused
Somebody blew up a building
Somebody stole a car
Somebody got away
Somebody didn't get to far yeah
They didn't get to far

Grand pappy told my pappy back in my day, son
A man had to answer for the wicked that he'd done
Take all the rope in Texas
Find a tall oak tree, round up all of them bad boys
Hang them high in the street
For all the people to see

That
Justice is the one thing you should always find
You got to saddle up your boys
You got to draw a hard line
When the gun smoke settles we'll sing a victory tune
And we'll all meet back at the local saloon
And we'll raise up our glasses against evil forces
singing
Whiskey for my man, beer for my horses

We got too many gangsters doing dirty deeds
Too much corruption and crime in the streets
It's time the long arm of the law put a few more in the
ground
Send 'em all to their maker and he'll settle 'em down
You can bet he'll set 'em down

Cause
Justice is the one thing you should always find
You got to saddle up your boys
You got to draw a hard line
When the gun smoke settles we'll sing a victory tune
And we'll all meet back at the local saloon
And we'll raise up our glasses against evil forces
singing
Whiskey for my man, beer for my horses

Whiskey for my men, beer for my horses

He knew

Justice is the one thing you should always find

You got to saddle up your boys,

You got to draw a hard line

When the gun smoke settles we'll sing a victory tune

And we'll all meet back at the local saloon

And we'll raise up our glasses against evil forces

Singin' whiskey for my man, beer for my horses

Singing whiskey for my man, beer for my horses
