Thought I'd call you up  
See if had celebrated  
Day you were born  
It's a little belated  
Age is just a number  
It's really over rated to me

Yea November third  
That's a day I remember  
Cuz its thirty seven days after mine in September  
You'd thought I forgot  
Cuz here it is December again

Oh, happy birthday baby  
Wanna to see you tonight  
I got your present waitin  
I wanna do it right  
I ain't got enough money for a big diamond ring

Let's tie a brand new bow around the same old thing

Yea

Now blow  
Out your candles

Yea happy birthday baby  
Want to see you tonight  
I got your present waitin  
And I wanna do it right  
I ain't got enough money for a big diamond ring  
Let's tie a brand new bow around the same old thing

(It'd be cool if we could make an ending for it)
