Toby:

There are bridges on lifes highway,  
but we never see them there.

Some cross troubled waters,  
some don't go no where.

Lindsey:

Some you wouldn't step on if you were,  
trying to save your soul.

One comes with a keeper,  
and it's time to pay the toll.

Toby:

Some aren't ment to last forever,  
some are made of stone.

Some are ment to cross together,  
some you go alone.

Lindsey:

Some the slightest wind can send them,  
crashing to the ground.

I set out bridge on fire,  
but I could not burn it down.

Chorus verse 1~ Toby (Lindsey)

Here I am,

(Humming)

Praying for forgiveness

(Humming)

And I can see you

(Humming)
