f/ Lindsey Haun

Toby Keith:

There are bridges on life's highway
But we never see them there
Some cross troubled waters
Some don't go nowhere

Lindsey Haun:

Some you wouldn't step on
If you're trying to save your soul
One comes with a keeper
When it's time to pay the toll

Toby Keith:

Some aren't meant to last forever
Some are made of stone
Some are meant to cross together
Some you go alone

Lindsey Haun:

Some the slightest wind can send them
Crashing to the ground
I set our bridge on fire
But I could not burn it down

Both:

And here I am
Praying for forgiveness
And I can see you
Standing on the other side
And here I go (here I go)
Baby, it's a heavy load (it's a heavy load)
And I have crossed some broken bridges in my time

Both:

Now here I am (now here I am)
Praying for forgiveness.
(Praying for forgiveness)
I can see you (oh, I can see you)
Standing on the other side
(Standing on the other side)

Here I go (now here I go)
And buddy it's a heavy load
(Baby, it's a heavy load)
And I have crossed some broken bridges in my time
(Crossed some broken bridges in my time)
Yes, I have crossed some broken bridges in my time
