Can't go back..
Can't go home..
Though you've been told,
Anything goes...

When everything's gone,
You'll risk it all..
And hope that you might find,
Something inside,
That something inside...
Will ease your troubled mind..

I swore I'd never do this, anymore..

There's always a heartache behind each door,
When you try to fix that life that's shattered as mine,
There's always a few little pieces,
you can't find...

I swore I'd never do this anymore
There's always a heartache behind each door
When you try to fix that life that's shattered as mine
There's always a few little pieces you can't find...
Always a few little pieces you can't find...
