American girls and American guys  
Will always stand up and salute  
Will always recognize  
When you see old glory flying  
Theres a lot of men dead  
So we can sleep in peace at night when we lay down  
our head

My daddy served in the army  
Where he lost his right eye  
But he flew a flag out in our yard until the day that he  
died  
He wanted a woman my mother, my brother, my sister  
and me  
To grow up and live happy in the land of the free  
Now this nation that I love has fallen under attack  
A mighty sucker punch came flyin' in from somewhere  
in the back  
Soon as we can see clearly through our big black eye,  
Man we lit up your world like the forth of July

Hey Uncle Sam put your name at the top of his list  
And the statue of liberty started shakin' her fists  
And the eagle will fly  
And its gonna be hell  
When you hear mother freedom start ringin' her bell  
And it feels like the whole wide word is raining down on  
you  
All brought to you courtesy of the red, white and blue

Justice will be served  
And the battle will rage  
This big dog will fight when you rattle his cage  
Youll be sorry that you messed with the U.S. of A.  
'Cause we'll put a boot in your ass  
Its the American way

Hey Uncle Sam put your name at the top of his list  
And the statue of liberty started shakin' her fists  
And the eagle will fly  
and, its gonna be hell

When you hear mother freedom start ringin' her bell  
And it feels like the whole wide world is raining down  
on you  
All brought to you courtesy of the red, white and blue

Oh Oh Oh

Of the red white and blue

Of my red white and blue

Oh Oh OH Oh Oh....
