Got the news on Friday morning, but a tear I couldn't
find

You showed me how I am supposed to live
And now you showed me how to die

I was lost 'til Sunday morning, I woke up to face my fear
While writing you this goodbye song, I found a tear

I'm gonna miss that smile, I'm gonna miss you my
friend

Even though it hurts the way it ended up, I'd do it all
again

So play it sweet in heaven 'cause that's right where you
wanna be

I'm not cryin' 'cause I feel so sorry for you, I'm cryin' for
me

I got up and dialed your number, and your voice came
on the line

With that old familiar message I heard a thousand
times

It just said, sorry that I missed you, leave a message
and God bless

I know that you think I'm crazy, but I just had to hear
your voice I guess

I'm gonna miss that smile, I'm gonna miss you my
friend

Even though it hurts the way it ended up, I'd do it all
again

So play it sweet in heaven 'cause that's right where you
wanna be

I'm not cryin' 'cause I feel so sorry for you, I'm cryin' for
me

So play your upside down, left-handed, backwards
bass guitar

I'll see you on the other side, superstar

I'm gonna miss that smile, I'm gonna miss you my
friend

Even though it hurts the way it ended up, I'd do it all

again

So play it sweet in heaven 'cause that's right where you
wanna be

I'm not cryin' 'cause I feel so sorry for you, I'm cryin' for
me

I'm still cryin', I'm cryin' for me, I'm still cryin'
