I got a funny feeling the moment that your lips touched
mine
something shot right through me
my heart skipped a beat in time
Theres a different feel about you tonight
its got me thinkin' lots of crazy things
I even think I saw a flash of light
It felt like electricity

Chorus:

Ã,"You shouldn't kiss me like this unless you mean it
like thatÃ,"
Cuz i'll just close my eyes and I won't know where i'm
at,
We'll get lost on this dance floor spinning around, and
around, and around, and
around,
They're all watching us now, they think we're falling in
love,
They'll never believe we're just friends,
When you kiss me like this, I think you mean it like that,
If you do baby kiss
me again

Everybody swears we make the perfect pair, but
dancing is as far as it goes,
Girl, you never moved me quit the way you moved me
tonight,
I just wanted you to know,
I just wanted you too k-n-o-w

Chorus:

You shouldn't kiss me like this, unless you mean it like
thatÃ,"
Cuz i'll just close my eyes and I won't know where i'm
at,
We'll get lost on this dance floor spinning around, and
around, and around, and
around,

They're all watching us now, they think we're falling in
love,
They'll never believe we're just friends,
When you kiss me like this, I think you mean it like that,
If you do baby kiss me again
