#### DUI BLUES

Verse 1: I woke up this morning in the county jail  
My head was splitting and my face was pale  
Pissed off psycho in the bed next to me  
It dawned on me I would never be free

Chorus: I got the DUI blues  
I had too much booze  
And got behind the wheel of my car  
Oh Lord the blue light shining behind me (sound of siren)

Verse 2: My girlfriend dumped me and I was feeling down  
Had to see people so I headed downtown  
A few too many and was feeling frisky  
God knows I never meant to drink all that whisky

Chorus: I got the DUI blues

I had too much booze  
Should never have gone to that god dam bar  
Oh Lord the blue light shining behind me (sound of siren)

Verse 3: My job is going down the drain  
God help me things will never be the same  
I refused to blow but with lawyers and jail time  
My existence ain't worth a dime

Chorus: I got the DUI blues  
I had to much booze  
I never meant to go that far  
Oh Lord the blue light shining behind me (sound of siren)

Fade: Oh Lord the blue light shining behind me (sound of cop saying ?you have the right to remain Silent?.
