Just a girl born in Dixie, washed in the blood  
And raised on the banks of the Mississippi mud  
She always had a thing about fallin' in love with a bad  
boy  
Yeah they could see it all comin'  
But her daddy never dreamed  
She'd grow up that fast, you know what I mean  
The way a girls gets when she turns seventeen, kinda  
crazy

(Chorus)

She's a rebel child and a preacher's daughter  
She was baptized in dirty water  
Her mama cried the first time they caught her with me  
They knew they couldn't stop her  
She holds tight to me and the Bible  
On the back seat of my motorcycle  
Left her daddy standing there preaching to the choir,  
you see  
God love her  
Oh, me and God love her

She kissed her mama good-bye  
Said, "I'll be sure to phone 'ya"  
She called her from a truck stop in Tucson, Arizona  
With amazing grace we made California alive  
And then my gypsy life started takin' it's toll  
And the fast lane got empty and out of control  
And just like an angel she saved my soul from the devil  
(Chorus)

She's a rebel child and a preacher's daughter  
She was baptized in dirty water  
Her mama cried the first time they caught her with me  
They knew they couldn't stop her  
She holds tight to me and the Bible  
On the back seat of my motorcycle  
Left her daddy standing there preaching to the choir,  
you see  
God love her  
Oh, me and God love her

(Bridge)

Now she holds tight to me and the Bible  
On the back seat of my motorcycle  
Left her daddy standing there preaching to the choir,  
you see  
God love her  
Oh me and God love her  
God love her  
Me and God love her
