I was hangin' out in Mexico, I had a beach front  
bungalow  
I know I should have gone home but I was doin' that  
Caribbean thing  
I was listenin' to a Spanish guitar, drinkin' Margarita's  
under the stars  
With a pretty senorita when the telephone started to  
ring, guess who

Hello, honey, I was just about to  
Hello, baby, I was gettin' ready  
Hello, I know I should have called sooner  
Oh, no, no

Hello, if you give me just a minute  
Hello, don't you hang up till I'm finished  
Hello, you're the only one I've ever, you know  
Hello

Well, there was silence at the end of the line  
I thought I'd give her till a quarter of nine  
I forgot to call her back  
And the party was a-rollin' at ten

See, I was workin' on Tequila and lime  
I guess I never even noticed the time  
I was dancin' the Iguana when the phone started ringin'  
again  
And you know who

Hello, honey, I was just about to  
Hello, baby, I was gettin' ready  
Hello, I know I should have called sooner  
Oh, no, no

Hello, if you give me just a minute  
Hello, don't you hang up till I'm finished  
Hello, you're the only one I've ever, you know  
Hello

Hello, honey, I was just about to  
Hello, baby, I was gettin' ready

Hello, I know I should have called sooner  
Oh, no, no

Hello, if you give me just a minute  
Hello, don't you hang up till I'm finished  
Hello, you're the only one I've ever, you know  
Hello, hello, hello

Hello, honey, I was just about to  
Hello, baby, I was gettin' ready  
Hello, don't you hang up till I'm finished  
Hello
