I was always the crazy one  
I broke into the stadium  
And I wrote your number on the 50 yard line  
You were always the perfect one  
And the valadictorian so  
Under your number I wrote "call for a good time"

I only wanted to catch your attention  
But you overlooked me somehow  
Besides you had too many boyfriends to mention  
And I played my guitar too loud.

How do you like me now?  
How do you like me now,  
Now that I'm on my way?  
Do you still think I'm crazy  
Standin here today?  
I couldnt make you love me  
But I always dreamed about living in your radio  
How do you like me now?

When I took off to Tennessee  
I heard that you made fun of me

Never imagined I'd make it this far  
Then you married into money girl  
Aint it a cruel and funny world?  
He took your dreams and tore them apart.

He never comes home  
And youre always alone  
And your kids hear you cryin down the hall  
Alarm clock starts ringin  
Who could that be singin  
Its me baby, with your wake up call!

How do you like me now?  
How do you like me now,  
Now that I'm on my way?  
Do you still think I'm crazy  
Standin here today?  
I couldnt make you love me

But I always dreamed about living in your radio  
How do you like me now?

Tell me baby...  
I will preach on...
