We talk about your work, how your boss is a jerk
We talk about your Church and your head when it hurts
We talk about the troubles you've been having with
your brother
About your daddy and your mother and your crazy ex
lover

We talk about your friends and the places that you've
been
We talk about your skin and the dimples on your chin
The polish on your toes and the run in your hose
And God knows we're gonna talk about your clothes

You know talking about you makes me smile
But every once in a while

I wanna talk about me
Wanna talk about I
Wanna talk about number one
Oh my, me, mine
What I think, what I like, what I know, what I want, what I
see
I like talking about you, you, you, you, usually but
occasionally
I wanna talk about me
I wanna talk about me

We talk about your dreams and we talk about your
schemes
Your high school team and your moisturizer creme
We talk about your nanna up in Muncie, Indiana
We talk about your grandma down in Alabama

We talk about your guys of every shape and size

The one's that you despise and the one's you idolize
We talk about your heart, about your brains and your
smarts
And your medical charts and when you start

You know talking about you makes me grin
But every now and then

I wanna talk about me
Wanna talk about I
Wanna talk about number one
Oh my, me, mine
What I think, what I like, what I know, what I want, what I
see
I like talking about you, you, you, you, usually, but
occasionally
I wanna talk about me
I wanna talk about me
I wanna talk about me
Me, me, me, me, me
I wanna talk about me
Me, me, me, me, me
You, you, you, you you, you, you, you, you, you, you,
you, you
I wanna talk about me

I wanna talk about me
Wanna talk about I
Wanna talk about number one
Oh my, me, mine
What I think, what I like, what I know, what I want, what I
see
I like talking about you, you, you, you, usually, but
occasionally
I wanna talk about me
I wanna talk about me
I wanna talk about me
Oh, me
