Well, I'm not talkin' 'bout lockin' down forever, baby
That would be too demanding
I'm just talkin' 'bout two lonely people
Who might reach a little understanding

I'm not talkin' 'bout knockin' out heaven
With whether we're wrong or we're right
I'm not talkin' 'bout hookin' up and hangin' out
I'm just talkin' 'bout tonight

You were sittin' on your bar stool
And talkin' to some fool who didn't have a clue
I guess he couldn't see you were lookin' right at me
'Cause I was lookin' at you too

Then it's, "Do you wanna dance, have we ever met"
You said, "Hold your horses boy, I ain't that easy to
get"

Oh, I'm not talkin' 'bout lockin' down forever, baby
That would be too demanding
I'm just talkin' 'bout two lonely people
Who might reach a little understanding

I'm not talkin' 'bout knockin' out heaven
With whether we're wrong or we're right
I'm not talkin' 'bout hookin' up and hangin' out
I'm just talkin' 'bout tonight

She said, "I only take it slow
By now you oughta know that I ain't digging this
If we can start as friends
The weekend just might end with a little kiss"

She said "I'm a lady lookin' for a man in my life
Who'll make a good husband, I'll make a good wife"

Easy now

I'm not talkin' 'bout lockin' down forever, baby
That would be too demanding
I'm just talkin' 'bout two lonely people

Who might reach a little understanding

I'm not talkin' 'bout knockin' out heaven

With whether we're wrong or we're right

See, I'm not talkin' 'bout hookin' up and hangin' out

I'm just talkin' 'bout tonight

Yeah, I'm just talkin' 'bout a little bit later tonight
