I'm not talking 'bout locking down forever baby,
that'd be too demanding
I'm just talking 'bout two lonely people,
who might reach a little understanding
I'm not talking 'bout knocking out heaven,
with whether we're wrong or we're right
I'm not talking 'bout hooking up or hanging out,
I'm Just Talking About Tonight

You were sittin' on your bar stool,
talking to some fool who didn't have a clue
I guess he couldn't see you were looking right at me,
cuz I was looking at you too
I asked do ya wanna dance,
have we ever met
You said hold your horses boy,
I ain't that easy to get

Chorus:

I'm not talking 'bout locking down forever baby,
that'd be too demanding
I'm just talking 'bout two lonely people,
who might reach a little understanding
I'm not talking 'bout knocking out heaven,
with whether we're wrong or we're right
I'm not talking 'bout hooking up or hanging out,
I'm Just Talking About Tonight

She said I oughta take it slow,
by now you oughta know that I ain't diggin' this
If we can start as friends,
the weekend just might end with a little kiss
She said I'm a lady lookin' for a man in my life,
who'll make a good husband
I'll make a good wife
EASY NOW!!

(Chours)

Yeah, I'm just talking 'bout little bit later tonight
