The song is performed by Brooks & Dunn, not Toby Keith

Sun cummin' up, over New York City
School bus driver's, in a traffic jam
Staring at the faces in her rear view mirror
Lookin' at the promise, of the promised land

One kid dreams, of fame and fortune
One kid helps pay the rent
One could end up going to prison
One just might be president

Chorus:
Only in America
Dreamn' in red white and blue
Only in America
Where we dream as big as we want to
We all get a chance, everybody gets to dance
Only in America

Sun going down on a L.A. freeway
Newly weds in the back of a limosine
A welders son and a bankers daughter
All they want, is everything

She came out here to be an actress
He was a singer in a band
They just might go back to Oklahoma
And talk about the stars they could have been

Only in America
Dreamn' in red white and blue
Only in America

Only in America
Where we dream in red white and blue
Only in Amreica
Where we dream as big as we want to
We all get a chance, everybody gets to dance
Only in America

Only in America
Where we dream as big as we want to
Only in America
