sha la la la la la la la la la la la
i'll get over you
sha la la la la la la la la
just one more lonely night or two...

do you remember
well i remember
when every kiss babe was sweet and tender
every promise
every vow
every time we said forever, baby
even now
even
though you left me...
for another...
i'm a big boy i will recover and...

sha la la la la la la la la la la la
i'll get over you
sha la la la la la la la la
just one more lonely night or two...

ain't it funny
haha i think it's funny
i wanna' laugh until i don't cry honey cause
sheddin' tears just ain't my style
but i guess i aughta miss you for a
little while
a little blue-eyed blonde in a red hot sweater
wants to spice my chili...
i think i'm gonna let her

sha la la la la la la la la la la la
i'll get over you
sha la la la la la la la la
just one more lonely night or two...

so when you
get lonely
i dare you
to call meee.....

oh don't call me baby...

cause sha la la la la la la la la la la la la

i'll be over you

sha la la la la la la la la la

the sun don't rise and set in you.....OH no....
