I gave up on cigarettes  
'Til today I ain't touched one yet  
But tonight I think  
I'm gonna burn the whole pack

I laid off 90 prof  
Ain't had a drop in years and that's the truth  
But tonight when I light the first one  
I'm gonna open up the jack

She ain't hooked on me no more  
She ain't hooked on me no more  
The one thing that always hurt her the most  
Is the one thing she finally quit fightin' for

She ain't hooked on me no more  
She ain't hooked on me no more  
I'm pickin' up all my bad habits again  
She's lettin' one go

For years she had it real bad  
I was the only addiction she ever had  
Her love made me so high  
But I abused it

And here I sit all alone tonight  
Whiskey on the rocks and more cigarettes to light  
Holding on to everything I got let  
Hopin' I don't lose it

She ain't hooked on me no more  
She ain't hooked on me no more  
The one thing that always hurt her the most  
Is the one thing she finally quit fightin' for

She ain't hooked on me no more  
She ain't hooked on me no more  
I'm pickin' up all my bad habits again  
She's lettin' one go

She ain't hooked on me no more  
She ain't hooked on me no more

I'm pickin' up all my bad habits again  
She's lettin' one go  
Yeah, I'm pickin' up all my bad habits again  
She's lettin' one go
