She's sitting by the water where the river gets wide
Thinking about swimming to the other side
Got a Marlboro Red and a can of cold Bud
Toes squished down in the Arkansas mud

Hey Mister! Yeah, I kissed her
Son, you ought to see her sister
You've gotta give a little something to a cool dark cat
Finding him a woman that could shake like that

Hottie! She's a Hottie!
Got a smoking little body
String bikini and a barbed-wire tat
She's rocking that cowboy hat

Hottie! She's a Hottie!
And just a little bit naughty
Kaya diggy diggy, kaya diggy diggy
Yay hey hey hey

She's slapping down a dam where the moss gets thick
A yelling 'yeehaw,' she's a red-neck chick
Spitting in the fire and putting on a show
Strutting like a chicken to the radio

Hey Slick! She's a hick!
Mmm and her buttermilk lipstick
Now give a little something to a cool dark cat
Finding him a woman that could shake like that

Hottie! She's a Hottie!
She got a smoking little body
String bikini and a barbed-wire tat
She's rocking that cowboy hat

Hottie! She's a Hottie!
And just a little bit naughty
Singing kaya diggy diggy, kaya diggy diggy
Yay hey hey hey, yeah

Dressed her up boys, I took her from the farm
I brought her downtown, I hung her on my arm

You gotta give a little something to a cool dark cat
Finding him a woman who can walk like that

She's a hottie! She's a Hottie!
She got a smoking little body
String bikini and a barbed-wire tat
She's rocking that cowboy hat

Hottie! She's a Hottie!
And just a little bit naughty
Kaya diggy diggy, kaya diggy diggy yay
Singing kaya diggy diggy, kaya diggy diggy
Yay hey hey hey, yeah!

Singing kaya diggy diggy, kaya diggy diggy
Yay hey hey hey, yeah!
