Yeah
that's right

We talk about your work how your boss is a jerk
we talk about your church and your head when it hurts
We talk about the troubles you've been having with
your brother
bout your daddy and your mother and you crazy ex-
lover
We talk about your friends and the places that you've
been
we talk about your skin and the dimples on your chin
the polish on your toes and the run in your hose and
God knows we're gonna talk about your clothes

You know talkin about you makes me smile
But every once in a while

I wanna talk about me
I wanna talk about I
I wanna talk about number one on my me my
what I think what I like what I know what I want what I
SEE!
I like talkin about you you you you usually
but occasionally
I wanna talk about me!!

(me me me me)

I wanna talk about me-e-e

We talk about your dreams and we talk about your
schemes
Your high school team and your moisturizing cream
we talk about your Nana up in Muncie, Indiana
We talk about your Granamda down in Alabama
We talk about your guys of every shape and size
the ones that you dispise and the ones you idolize
we talk about your heart bout your brains and your
smarts
and Your medical charts and when you start...

You know talkin about you makes me grin
but every now and then

I wanna talk about me
I wanna talk about I
I wanna talk about number one on my me my
what I think what I like what I know what I want what I
SEE!
I like talkin about you you you you usually
but occasionally
I wanna talk about me!!

I wanna talk about meeee (me me me meeee)
I wanna talk about meeee (oh me me me meeee)

You you you you you you you you
YOU YOU YOU YOU YOU!
I wanna talk about- ME!

I wanna talk about me
I wanna talk about I
I wanna talk about number one on my me my
what I think what I like what I know what I want what I
SEE!
I like talkin about you you you you usually
but occasionally
I wanna talk about me!!

oh me!
I wanna talk about me
oh me-e-e
