One day as I was thinking
On unseen things above
The Savior spoke unto me
And filled my heart with love
I'm gonna die on the battlefield
I'm gonna die in this war
I'm gonna die on the battlefield
With glory in my soul
I used to have some people
Who walked and talked with me
But since I've been coinverted

They've turned their backs on me
Some say give me silver
And some give me gold
But I say give me Jesus
Who saved my dying soul
I'm gonna die on the battlefield
I'm gonna die in this war
I'm gonna die on the battlefield
With glory in my soul
With glory in my soul
