We talk about your work  
How your boss is a jerk  
We talk about your church  
And your head when it hurts

We talk about the troubles  
You've been having with your brother  
About your daddy and your mother  
And your crazy ex-lover

We talk about your friends  
And the places that you've been  
We talk about your skin  
And the dimples on your chin

The polish on your toes  
And the run in your hose  
And God knows we're gonna talk  
About your clothes

You know talking about you makes me smile  
But every once in awhile

I wanna talk about me  
Wanna talk about I  
Wanna talk about number one  
Oh, my, me, my

What I think, what I like  
What I know, what I want, what I see  
I like talking about you, usually, but occasionally  
I wanna talk about me, I wanna talk about me

We talk about your dreams  
And we talk about your schemes  
Your high school team  
And your moisturizer creme

We talk about your nanna  
Up in Muncie, Indiana  
We talk about your grandma

Down in Alabama

We talk about your guys  
Of every shape and size  
The ones that you despise  
And the ones you idolize

We talk about your heart  
About your brains and your smarts  
And your medical charts  
And where you start

You know talking about you makes me grin  
But every now and then

I wanna talk about me  
Wanna talk about I  
Wanna talk about number one  
Oh, my, me, my

What I think, what I like  
What I know, what I want, what I see  
I like talking about you, usually, but occasionally  
I wanna talk about me, I wanna talk about me

You, you, you, you, you, you, you  
You, you, you, you, you, you  
I wanna talk about me

I wanna talk about me  
Wanna talk about I  
Wanna talk about number one  
Oh, my, me, my

What I think, what I like  
What I know, what I want, what I see  
I like talking about you, usually, but occasionally  
I wanna talk about me, I wanna talk about me
