Well, I'm not talkin' bout lockin down forever baby,
that would be too demanding
I'm just talkin bout two lonely people who might reach a
little understanding
I'm not talkin bout knockin out heaven
with wether we're wrong or we're right
see I'm not talkin bout hookin up and hanging out
I'm just talkin bout tonight

You were sitting on your bar stool
talkin to some fool who didn't have a clue
I guess he couldn't see you were lookin right at me
cause i was lookin at you too
then it's do you wanna dance?
Have we ever met?
You said "hold your horses boy!
I ain't that easy to get!!!"

well, I'm not talkin' bout lockin down forever baby,
that would be too demanding
I'm just talkin bout two lonely people who might reach a
little understanding
I'm not talkin bout knockin out heaven
with wether we're wrong or we're right
see I'm not talkin bout hookin up and hanging out
I'm just talkin bout tonight

She said I only take it slow
by now you oughta know that I ain't diggin this
If we can start as friends
the weekend just might end with a little kiss
She said I'm a lady lookin' for a man in my life
who'll make a good husband
I'll make a good wife
E-E-E-E-E-ASY NOW!!!!!!!!!!!!!!

Well, I'm not talkin' bout lockin down forever baby,
that would be too demanding
I'm just talkin bout two lonely people who might reach a
little understanding
I'm not talkin bout knockin out heaven

with wether we're wrong or we're right
see I'm not talkin bout hookin up and hanging out
I'm just talkin bout tonight
Yeah I'm just talkin bout a little bit later tonight
