If I could invent a time machine  
Then baby we'd both be seventeen

Cruising in my first car  
And actin' like movie stars on Friday night  
Do you remember those Friday nights?

And we were a rock, ready to roll  
And there was a fire down in our souls  
And all the whole world had to stand still  
Then turn around us 'cause that was the deal

And oh how those nights went flowing like wine  
When I was all yours and you were all mine  
And we were in love, yeah we were in love

I can still see you when I sleep  
There is a picture I still keep

You with your hair in the wind  
And me with that crazy grin under those summer skies  
When dreams were too young to die

And we were a rock, ready to roll  
And there was a fire down in our souls  
And all the whole world had to stand still  
Then turn around us 'cause that was the deal

And oh how those nights went flowing like wine  
When I was all yours and you were all mine  
And we were in love

Oh I know, I know it sounds crazy  
But baby you're still the one  
So let's find a way to bring back the days  
When our hearts were forever young

And we were a rock, ready to roll  
And there was a fire down in our souls  
And all the whole world had to stand still  
Then turn around us 'cause that was the deal

And oh how those nights went flowing like wine  
When I was all yours and you were all mine  
And we were in love, yeah we were in love  
Oh we were in love, yeah we were in love
