Don't my baby look good in them blue jeans  
Tight on the top with a belly button ring  
A little tattoo somewhere in between she only shows to  
me  
Yeah we're goin' out dancin' she's ready tonight  
So damn good lookin' boys it ain't even right  
And when the bartender says for the lady  
What's it gonna be I tell him man

She ain't into wine and roses  
Beer just makes her turn up her nose and  
She can't stand the thought of sipping champagne  
No Cuervo, gold margaritas  
Just ain't enough good burn in tequila  
She needs somethin' with a little more edge  
And a little more pain  
She's my little whiskey girl, she's my little whiskey girl  
My ragged on the edges girl, ah but I like em rough

Baby got a '69 mustang  
Four on the floor and you oughtta hear the pipes ring

I jump behind the wheel and it's a way we go  
Hey I drive too fast but she don't care  
Blue bandana tied all up in her hair, just sittin there  
Singin' every song on the radio

She ain't in to wine and roses  
Beer just makes her turn up her nose and  
She can't stand the thought of sipping champagne  
No Cuervo, gold margaritas  
Just ain't enough good burn in tequila  
She needs somethin' with a little more edge  
And a little more pain  
She's my little whiskey girl, she's my little whiskey girl  
My ragged on the edges girl, ah but I like em rough

She's my little whiskey girl, she's my little whiskey girl  
My ragged on the edges girl, ah but I like em rough
