I never ask you where you're goin'  
I never ask you where you've been  
I've never called and checked your story  
When you stayed out with all your freinds  
I've never tried to catch you lyin'  
I didn't want to know the truth  
I'd rather go on lovin' blind girl  
Than go on lovin' without you

I wish I didn't know now what I didn't know then  
I wish I could start this whole thing over again  
I'm not sayin' it's you could never be true  
I just don't wanna know how it ends  
You'd still have my heart in the palm of your hands  
I'd still look like a fool in front of your friends  
Yeah I wish somehow I didn't know now what I didn't  
know then

I've always said what I don't know  
Couldn't hurt as bad as leavin' you  
Turns out I knew what I was thinkin'

It ain't an easy thing to do  
Well I guess I should be goin'  
I sure found out too much to stay  
Please don't say your sorry  
I might wait another day

I wish I didn't know now what I didn't know then  
I wish I could start this whole thing over again  
I'm not sayin' it's you could never be true  
I just don't wanna know how it ends  
You'd still have my heart in the palm of your hands  
I'd still look like a fool in front of your friends  
Yeah I wish somehow I didn't know now what I didn't  
know then

You'd still have my heart in the palm of your hand  
I'd still look like a fool in front of your freinds  
Yeah I wish somehow I didn't know now what I didn't  
know then  
Yeah I wish somehow I didn't know now what I didn't

know then
