Hey, goodbye senorita
You sure been a friend of mine
She said, well, adios amigo
Some other place, some other time

Then we drink a shot of Tequila
Baby, can we meet again?
She just said I'll see ya
Wouldn't wanna be ya

There ain't no easy way to say it
It's time for me to fly
And my truck is packed and runnin'
I'm headed out west tonight

I've stayed longer at Mansfield
I never thought I would
I hope I didn't make any promises, baby
You were great and it was good

So goodbye senorita
You sure been a friend of mine
She said, well, adios amigo
Some other place, some other time

Then we drink a shot of Tequila
Baby, can we meet again?
She just said I'll see ya
Wouldn't wanna be ya

I made it at the Tuscon
Where I turned my truck around
I started barreling down that highway boy
Back to that Texas town

The highway sign said Brans field
A hundred and sixteen miles
I guess there's first time for everything
Yeah, I think I'm gonna stay a-while

Well, hello senorita
I've sure missed a friend of mine

She said, well, welcome back amigo
Man, you sure took your sweet time

Then we drink a shot of Tequila
She said, Baby, 'till you leave again?
So good to see see ya
Wouldn't wanna be ya

It sure is good to see ya
Wouldn't wanna be ya
