Till death do us part  
Is was what she told that preacher man  
Now she says this ain't worth dying for  
She's had all she can stand

She's boxed up momma's china  
It's loaded on the truck  
She just got started packing  
And I'm thinking this could suck

Now there goes my lazy boy  
My flat top guitar  
Here comes her big sister  
What's she doing in my car

As they drive off to the city  
I just wave  
From the top of my lungs  
I hope she heard me say

You ain't leaving, thank God, are ya?  
You can't be gone fast enough  
What seemed to take a lifetime  
Just left in a cloud of dust

This will make my girlfriend happy  
She's the one who never thought you would  
You ain't leaving thank God are you  
Let us pray you're gone for good

She forgot her new laptop  
So I know she'll be back  
I'll have a hot tub full of hotties  
Icing down a twenty-four pack

She'll cuss me like a sailor  
But I don't care  
I'll have a few choice words  
When I come up for air

You ain't leaving, thank God, are ya?  
You can't be gone fast enough

And what seemed to take a lifetime  
Just left in a cloud of dust

This will make my girlfriend happy  
She's the one who never thought you would  
You ain't leaving, thank God, are ya?  
Let us pray you're gone for good

You ain't leaving, thank God, are ya?  
Let us pray you're gone for good
